# Become a LabVIEW Student Ambassador at La Sapienza University of Rome

Join the LabVIEW Student Ambassador project sponsored by National Instruments and gain a 1500 €/year scholarship.

Are you a dynamic person, looking for new challenges?
Would you like to have a direct contact with a multinational company like National Instruments and having the CLAD Certification?
Do you like to present and teach LabVIEW to your peers and be the preferred NI contact at the University?

Are you interested ?

Join the LabVIEW Student Ambassador Presentation

Monday May 21st
17:30 - 18:30
Sala Affreschi
